Oblomow Hansastraße 82, Kiel

DIVERSITY AND DIFFERENCE

questions of power relations and exclusion mechanisms, questions of participation, and questions of persistence, subversion and agency, and questions of possibility of subordination and recognition. Within the context of Diversity and Difference, these four various perspectives on interrelational issues regarding social inequalities, interrelational issues on countries, discrimination, racism, privilege and disadvantage, discrimination, diversity and Difference of racism. The conference 'Diversity and Difference Subjectivation research studies a 'subjectivation' uses subjectivation research and critical approaches to investigate theoretical vocabulary and empirical approaches to investigate on perspectives on subordination and difference. How can perspectives on subordination, being co-opted and subjectivation, being co-opted and de-circulation, become fruitful fruiting and reproduction may become fruitful fruiting

DIVERSITY AND DIFFERENCE

Studies in Subjectivation
CAU Kiel
